Petitioner, a state prisoner proceeding pro se, filed a petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254. On September 30, 2014, the court granted in part respondent's motion to dismiss and ordered respondent to show cause within sixty days why a writ of habeas corpus should not be granted based on the remaining claims. (Docket No. 48.) Respondent has filed an application for a thirty-day enlargement of time to file an answer. (Docket No. 51.) Respondent's counsel declares that he has completed a rough draft of the answer but that he will be unable to finalize the answer because he will be out of the office from November 19, 2014, through the end of the month. (Id.)

Good cause having been shown, respondent's motion is **GRANTED**. Respondent shall file an answer no later than December 31, 2014. Petitioner shall file a traverse within thirty (30) days after the answer is filed.
